

Outlook Express POP3 Mail Account Setup

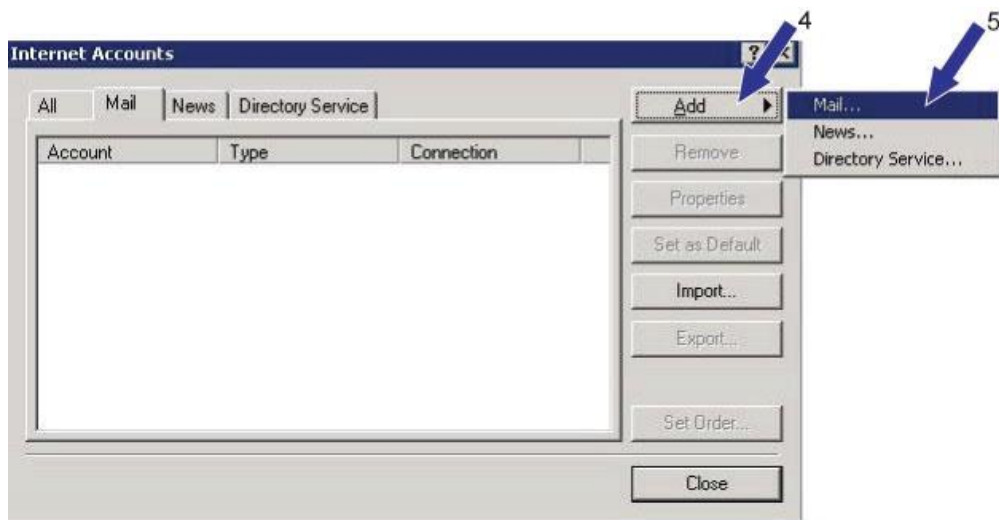

1. Click on Tools and then on Accounts

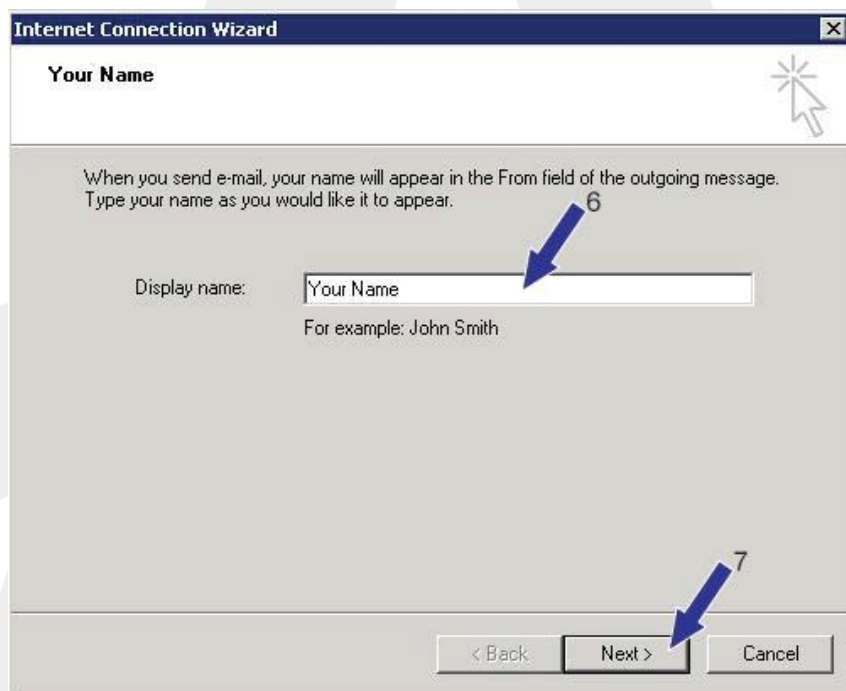

2. Click on the Mail tab

3. Click on Add and then on Mail

4. Enter a name and click on Next

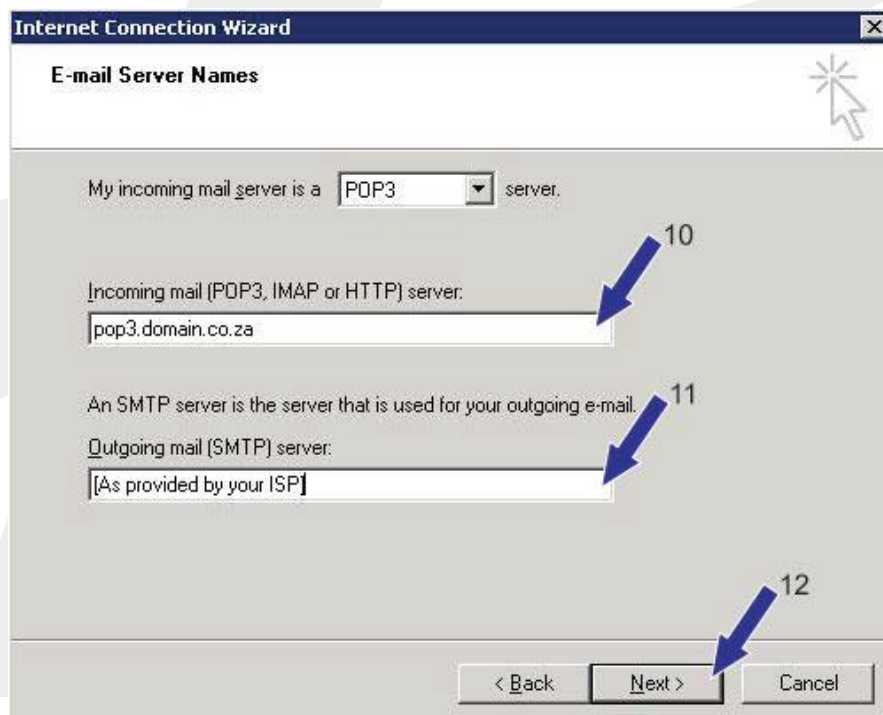

5. Enter your email address and click Next

The screenshot shows the 'Internet Connection Wizard' window with the 'Internet E-mail Address' tab selected. The window title bar includes a close button (X). The main text reads: 'Your e-mail address is the address other people use to send e-mail messages to you.' Below this, there is a text input field labeled 'E-mail address:' containing 'example@domain.co.za'. A blue arrow labeled '8' points to this field. Below the field, it says 'For example: someone@microsoft.com'. At the bottom, there are three buttons: '< Back', 'Next >', and 'Cancel'. A blue arrow labeled '9' points to the 'Next >' button.

6. Enter the POP3 and SMTP server as provided and click Next

The screenshot shows the 'Internet Connection Wizard' window with the 'E-mail Server Names' tab selected. The window title bar includes a close button (X). The main text reads: 'My incoming mail server is a POP3 server.' Below this, there is a text input field labeled 'Incoming mail (POP3, IMAP or HTTP) server:' containing 'pop3.domain.co.za'. A blue arrow labeled '10' points to this field. Below this, it says 'An SMTP server is the server that is used for your outgoing e-mail.' Below this, there is a text input field labeled 'Outgoing mail (SMTP) server:' containing '[As provided by your ISP]'. A blue arrow labeled '11' points to this field. At the bottom, there are three buttons: '< Back', 'Next >', and 'Cancel'. A blue arrow labeled '12' points to the 'Next >' button.

7. Type your account name and password as provided and click on Next

The screenshot shows the 'Internet Connection Wizard' window with the 'Internet Mail Logon' tab selected. The window has a title bar with a close button. The main area contains the following elements:

- A text prompt: 'Type the account name and password your Internet service provider has given you.'
- An 'Account name:' label followed by a text box containing 'example@domain.co.za'. A blue arrow labeled '13' points to this text box.
- A 'Password:' label followed by a password box with seven dots. A blue arrow labeled '14' points to this password box.
- A checked checkbox labeled 'Remember password'.
- Instructions: 'If your Internet service provider requires you to use Secure Password Authentication (SPA) to access your mail account, select the 'Log On Using Secure Password Authentication (SPA)' check box.'
- An unchecked checkbox labeled 'Log on using Secure Password Authentication (SPA)'.
- At the bottom, there are three buttons: '< Back', 'Next >', and 'Cancel'. A blue arrow labeled '15' points to the 'Next >' button.

8. Click on Finish

The screenshot shows the 'Internet Connection Wizard' window with the 'Congratulations' tab selected. The window has a title bar with a close button. The main area contains the following elements:

- A 'Congratulations' heading.
- Text: 'You have successfully entered all of the information required to set up your account.'
- Text: 'To save these settings, click Finish.'
- At the bottom, there are three buttons: '< Back', 'Finish', and 'Cancel'. A blue arrow labeled '16' points to the 'Finish' button.

9. You should now see the email address that you've set up; click on Close
